Name:

Muhammad Talha Akram

Contact Information:

Email: i230139@isb.nu.edu.pk

Phone: 03156925381

LinkedIn: https://www.linkedin.com/in/talha-akram-7762922b0/

Address: G-9/2 Street 5 House #66

Career Objective / Profile:

My goal is to make a name for myself whether it is in AI or something else. Mainly I want to use AI to train different models based on my interests which are football and cricket. So I would like to develop AI's that can provide useful insights given a dataset, then use it to make predictions and tactical suggestions.

Education:

Bachelor of Science in Artificial Intelligence, National University of Computer and Emerging Sciences (FAST-NUCES) Islamabad, June 2027

Relevant Courses: Machine Learning, Knowledge Representation and Reasoning, Design and Analysis of Algorithms

GPA: 2.01/4.00

Skills:

Programming Languages: Python, C++.

Data Science: Data Analysis & Visualization, Model Training.

Tools: Web Scraping.

Soft Skills: Problem Solving, Teamwork, Time Management, Fluency in English and Urdu.

Experience / Internships:

None as of yet

Projects / Research (if applicable):

Trained an AI bot on street fighter movement datasets to predict the best move possible in each frame as part of an AI project.

Achievements / Extracurricular Activities:

Volunteer, Shifa International Hospital & Legends Home Foundation - 2025
